FOR THE WESTERN DISTRICT OF TEXAS**

WACO DIVISION

UNITED STATES OF AMERICA

v.

DEVONTRAY QUINTERA BASS

CRIMINAL NO. W-18-CR-194-ADA

**REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

TO: THE HONORABLE ALAN D ALBRIGHT,
UNITED STATES DISTRICT JUDGE

The undersigned submits this Report and Recommendation to the district judge pursuant to 28 U.S.C. § 636(b) and Rule 1 of Appendix C of the Local Court Rules of the United States District Court for the Western District of Texas, Local Rules for the Assignment of Duties to United States Magistrate Judges.

Before the Court is the petition of the United States Probation Office recommending the revocation of the defendant's term of supervised release. The district judge referred the matter to the undersigned for the preparation of a report and recommendation.

I. PROCEDURAL BACKGROUND

The defendant was convicted of Production of Child Pornography; Aiding and Abetting, in violation of 18 U.S.C. § 2251(a) and (e); 18 U.S.C. § 2. The Court sentenced the defendant to time served, followed by 120 months of supervised release. The special conditions include the initial 60 months of home confinement with electronic monitoring, mental health treatment, taking all prescribed mental health medications, adherence to sex offender conditions, participation in sex

offender treatment, adherence to a search condition, payment of a \$500.00 fine and a \$100.00 special assessment fee.

On November 4, 2022, Bass was released to supervision. On November 9, 2022, the United States Probation Office filed a Petition for Warrant or Summons for Offender Under Supervision, alleging the defendant violated the terms of his release and seeking a show-cause hearing as to why the defendant's supervised release should not be revoked. The petition alleged the defendant violated the terms of his release in the following instances:

Violation Number 1: The defendant violated standard condition number 1, in that, the defendant failed to report to the probation office in the district to which the defendant was released within 72 hours of release from the custody of the Bureau of Prisons on or about November 4, 2022.

At the hearing, the defendant pleaded true to the violation. The government presented evidence that would support a finding of true, by a preponderance of the evidence, as to the violations.

II. FINDINGS OF THE COURT

1. The defendant violated the conditions of his supervised release as alleged in the petition.
2. The defendant was competent to make the decision to enter a plea to the allegations.
3. The defendant had both a factual and rational understanding of the proceedings against him.
4. The defendant did not suffer from any physical or mental impairment that would affect his ability to fully understand the charges against him or the consequences of his plea.
5. The defendant has not had any injury that would affect his judgment in entering a plea or that would affect his understanding of the basis, consequences, or effect of his plea.
6. The defendant was sane and mentally competent to stand trial for these proceedings.

7. The defendant was sane and mentally competent to assist his attorney in the preparation and conduct of his defense.
8. The defendant received a copy of the petition naming him, and he either read it or had it read to him.
9. The defendant understood the petition and the charges alleged against him and had the opportunity to discuss the petition and charges with his attorney.
10. The defendant understood that he had the right to present evidence and to cross-examine witnesses at the hearing.
11. The defendant freely, intelligently, and voluntarily entered his plea to the allegations.
12. The defendant understood his statutory and constitutional rights and desired to waive them.

III. RECOMMENDATION

The undersigned has carefully considered all the arguments and evidence presented by the parties and **RECOMMENDS** that the defendant's terms of supervised release be revoked and that he be remanded to the custody of the U.S. Marshal for time served, with no term of supervision to follow.

IV. WARNINGS

The district court need not consider frivolous, conclusive, or general objections. *See Battles v. United States Parole Comm'n*, 834 F.2d 419, 421 (5th Cir. 1987).

A party's failure to file written objections to the proposed findings and recommendations contained in this Report within fourteen (14) days after the party is served with a copy of the Report shall bar that party from de novo review by the district judge of the proposed findings and

recommendations in the Report and, except upon grounds of plain error, shall bar the party from appellate review of unobjected-to proposed factual findings and legal conclusions accepted by the district judge. *See* 28 U.S.C.
